

EID FORUM

17 & 18 Sep, 2019

Tallinn Creative Hub
(Kultuurikatel), Estonia

Shaping the future of eID

Improved Exhibition Area | Speed networking | Business oriented cases

eID FORUM works for an open dialogue on all matters identity related. We invite Industry, Academia and Governments to share ideas and visions for our digitized future.

Agenda highlights

- Biometrics - The World Key ID
- Border Control & Digital On-Boarding
- Data Exchange and Protection in a Digital World
- Derived Mobile IDs for Verticals
- Digital Vehicle Safety
- eVoting Landscapes
- ID in Humanitarian Assistance
- Mobile Driving License Landscapes
- Secure Documents in a Digital World
- Trust in Digital Identity

* Bronze partners are entitled to a small exhibition space with 1 table only.

** Construction designs available upon request. Any changes to the basic booth construction are at the partner's own expense. In your space you can place your roll ups or other material, or even bring your own pre-built stand (upon request to the organization). The backdrop for the space must be provided by the partner. In case of failure, basic name will be printed.
